

CONSIDERING A CAREER IN RECRUITMENT? ASK YOURSELF THESE QUESTIONS:

- » **Are you a self-starter?** You manage your own client and candidate relationships, and your success is directly proportionate to your effort.
- » **Are you interested in building relationships?** Recruiters make a big impact through the candidates they place. They help companies grow and thrive, and they help build careers.
- » **Can you handle rejection without damage to your self-esteem?** When you're first starting out, you may get some negative responses until you build your credibility, but once you have some tenure, you begin to develop a steady client base and a healthy income.
- » **Can you commit to ongoing study of your industry niche?** Your clients will rely on you to know the competition and understand the big industry trends.

MRINETWORK® RECRUITERS WORLD CLASS, WORLD LEADERS

Founded in 1965, **MRINetwork**® has grown into the largest and most successful recruitment organizations in the world. When you become a recruiter with an **MRINetwork** office, you have a part in shaping how companies grow and how candidates succeed.

A fulfilling career choice

From assessing client needs, to building relationships with candidates, to managing the offer and acceptance, the challenge of bringing about a successful match means that the work you do every day is varied and stimulating. The benefits and rewards – a healthy work/life balance and high earning potential – put you in control of your career satisfaction and development.

Support to succeed

As a recruiter with an **MRINetwork** office, you have access to the best training in the industry. With on-going certification programs, mastery level instruction, and the latest technology, we provide you with the tools you need to perform at the highest level.

Once you are ready to begin your new career, our partnerships with major job boards, behavioral assessment firms, and relocation companies ensure that you have the tools you need to fill client needs and place the best candidates.

The **MRINetwork** Career Progression

Your career as a recruiter with an **MRINetwork** office can take several paths:

- » **Full recruiters or account executives** come to us with a college degree and several years' work experience.
- » **Project coordinators** work with account executives to source, screen, and refer qualified candidates for specific positions.
- » **Internet researchers** work with a recruiting team to source candidates through complex searches of resumes, databases, and professional organizations.
